Ask the Expert

Camille Parchment is the Director of Graduate Admissions and Global Engagement at St John's University School of Law.

Question:

Explain 5 reasons why you should study your Master of Laws degree in the USA?

Answer:

For lawyers and law graduates looking to broaden their expertise, studying an LLM degree program in the United States can offer more than an additional academic qualification. It can provide exposure to a different legal system and a global professional network that can shape the next stage of your legal career.

The reasons to consider studying your Master of Laws in the United States, include.

1. Exposure to the US legal system and specialised areas of law
2. Career advancement and a broad professional network
3. Different academic and professional perspectives
4. A challenging curriculum and extracurricular opportunities
5. Potential eligibility for a US bar examination
