Choose Imperial Business School

Our programmes will equip you with key skills and world-class knowledge for you to pursue your career ambitions and make a global impact. Whether you study a Finance, Management or Specialised Master's, studying with Imperial opens doors across the world.

Considering a finance degree?

Discover which finance programme best aligns with your career goals. In this video, UCL School of Management compares the MSc Finance and MSc Finance with Data Science, helping you understand key differences, course content, and where each degree can take you.

Making the most of our GIS experience

Choosing the right courses at GIS is just the beginning. Alongside your studies, students benefit from live industry events, global summits, and hands-on experiences that bring learning to life. It's about combining academic knowledge with practical insight, building valuable connections, and shaping a career in sport that goes beyond the classroom.

From MBA dream to entrepreneurial reality

University of Bath MBA alumna Noora transformed ambition into action, gaining the skills and network to co-found a clean tech startup tackling net zero challenges. Her journey shows how an MBA empowers entrepreneurs to turn ideas into impactful, real-world ventures.

Transform your future at Derby

A postgraduate qualification is a powerful investment in your future - helping you deepen your expertise, specialise in your field, and stand out to employers. Take the next step and transform your future with postgraduate study at the University of Derby.

Postgrad.com - competition winner

Meet Leah Preston, the winner of a competition hosted on our new WhatsApp promotion service.

Question:

What help is available to help you choose the right MBA course?

Answer:

Ask the Expert

Becky Gallagher, Head of MBA Operations and Admissions at the University of Bath, explores how prospective students can cut through complexity and choose the right MBA programme.

From using the right search filters to speaking to current students or joining a live webinar – Becky has essential advice to help you choose the right MBA programme for you.
